

SENIOR ASSOCIATE, FINANCIAL SERVICES

Company: National law firm

Location: Montreal

Our client, a major national firm, is seeking to add a Senior Associate – Counsel to its Financial Services group.

The lawyer will represent the major chartered banks and financial institutions, syndicates of lenders as well as corporate borrowers on files that include regulatory advice, capital transactions, structured transactions, asset financings, sales and acquisitions, and project financing. He or she will be expected to manage files that span asset-based lending, innovative financing, hedging solutions, projects and project finance, asset-backed securitization, equipment financing, cross-border financing, derivative products and structured finance.

As a Senior Associate - Counsel, you will have your targets and hours adjusted to reflect this non-partner track position.

The selected candidate will have:

- 7+ years of appropriate practice
- Recognized and pertinent expertise in complex financial transactions, multi-faceted financing strategies for both the lending and borrowing sides
- Strong client and file management skills
- A collaborative team approach.
