

LEGAL COUNSEL

Company: Institutional investor

Location: Montreal

SUMMARY

Our client seeks an M&A and/or securities lawyer to provide high quality legal advice, guidance, and services to investment professionals with respect to investment activities involving various asset classes.

ROLES AND RESPONSIBILITIES

- Provide legal support to different asset class groups on various transactions including mergers and acquisitions, reorganizations, dispositions, joint ventures, fund investments, and other types of transactions.
- Provide support in legal matters arising from asset management activities, and other corporate and regulatory matters relating to the operations of our activities.
- Coordinate and supervise the legal work performed by external counsel and ensure proper balance of internal and external legal resources ensuring scalability, efficiency, and cost effectiveness.
- Ensure that all dealings and business practices are in compliance with governing legislation, regulations and policies.

QUALIFICATIONS

- A University degree in Law
- Member of the Bar Association of any of the Canadian provinces or territories
- 5-10 years of relevant experience as a lawyer in mergers and acquisitions, securities and corporate finance gained in private practice or as in-house counsel for a large organization
- Hardworking, highly professional and autonomous
- Excellent communication and interpersonal skills
- Ability to effectively manage competing priorities and work on numerous files
- Highly competent, analytical and precise
- A team player
- English required, French an asset
- Flexible, interested in working in and contributing to a growing organization

Please note that only candidates selected for interviews will be contacted.
