

Senior Associate or Partner, Tax Planning and Transactions

Company: well-established mid-market law firm

Location: Montréal

SUMMARY

The Montreal tax group of a well-established mid-market law firm is seeking to add a senior tax practitioner to join its strong tax planning practice.

The firm is known for its loyal and entrepreneurial clientele, while its team is recognized for solid business acumen and ability to partner with clients through different business challenges and issues, while working in a collegial atmosphere.

ROLES AND RESPONSIBILITIES

- Collaborate with firm colleagues to provide innovative tax strategies
- Provide tax planning services in connection with domestic and international M&A
- Advise on tax matters related to corporate financings and reorganizations
- Advise on tax matters related to the structuring of private and public investment and real estate funds, as well as estate planning

QUALIFICATIONS

- Member of the Barreau du Québec
- Completion of an LL.M. or other graduate program in tax.
- A minimum of 8 years' experience in the tax practice of a law or accounting firm.
- A self-starter; ability to take ownership of files
- Track record of providing high quality service to clients

Please note that only candidates selected for interviews will be contacted.
